

## DRAWER SLIDE APPLICATION OUTLINE

**A**s the leader in providing design solutions for the cabinet industry, KV has built a reputation as both innovator and reliable source supplier. KV drawer slides are functional in a wide range of applications – from home and kitchen cabinetry, to wood and metal office furniture and files, institutional and commercial furniture, displays, and more. With Knap & Vogt drawer slides, you can match customer expectations for solid, whisper-quiet operation with your own engineering demands.

Knap & Vogt strives to provide our customers with products that effectively satisfy all project requirements. The sizes, finishes, and packaging options listed here and throughout the accompanying literature are for those products most commonly manufactured by Knap & Vogt. Products can be custom-designed or finished to match your requirements. For further details on the availability of these products contact the KV Customer Service department.
